“Growing a Great Community”

April 2025

125TH ANNIVERSARY FINALE EVENT

We are wrapping up the year-long celebration of the 125th Anniversary of Incorporation of Dane on Saturday, April 5, 2025, from 12 pm to 3 pm at the Dane Village Hall. Kids of any age will be able to decorate a flowerpot and take a plant home. We will have color sheets as well as birthday cake, cookies, and refreshing beverages. A Ukelele Band will offer musical entertainment. Parents are encouraged to accompany their kids. Come celebrate with us! **Happy 125th Birthday Dane.**

HONORING ARBOR DAY WEEK!

On March 3rd, the Village Board approved resolution No. R2025-01, A Resolution Proclaiming Arbor Day Week (April 20 – 26). National Arbor Day is April 25, 2025.

The Village of Dane has been awarded Tree City USA for the second year.

2025 LIMB AND BRANCH PICK UP

Branch and Limb pick up for chipping will resume this month and continue through November. Village ordinances with

requirements for placing branches/limbs on the curb for pickup can be found on the village website. Weather can alter the schedule. The second Tuesdays of the month are as follows:

April 8, May 13, June 10, July 8, Aug 12, Sept 9, Oct 14, Nov 11. No collection in December, and evergreen trees are collected in January only.

SPRING BURNING IN THE VILLAGE OF DANE

Burning leaves, garden waste, and small sticks can be done from April 1 to May 15 each year. Burning is to be done after 6:00 pm and before 6:00 am and **never on Sundays!**

These rules are per village

ordinances. Before you burn check the weather and wind conditions. Please be extremely careful if you do have any type of fire and always stay attentive.

IT'S MULCH SEASON....

WHY YOU MULCH AROUND A TREE

Mulching insulates the soil, helping to provide a buffer from heat and cold, retains water to help roots stay moist, and reduces lawn mower or weed trimming damage to tree trunks.

THE PROPER WAY TO APPLY MULCH AROUND A TREE

of the tree.

Remove any grass within a 3-foot area. Place natural mulch such as wood chips or bark pieces 2 to 4 inches deep within circle. Keep the mulch from touching the trunk
